Dear Parents and Students,

Students at St Martins Lutheran College have the wonderful opportunity to learn a musical instrument with a private tutor during school time; this is in addition to their class music lessons.

Research indicates that students who study instrumental music often achieve higher academic results in other subjects, gain in self-confidence and have a greater connection to each other and the world around them.

St Martins allows suitably qualified instrumental teachers to access the schools facilities (free of charge) as a service to students and families of the college. All instrumental teachers must have a current police clearance and public liability insurance to teach at St Martin Lutheran College.

Instrumental Staff for 2018 are:

- Bass Guitar - Peter Heaven
- Brass - Daniel Canton, Georgina Farrugia
- Drum Kit - Peter Heaven, Andreanna Massacci
- Guitar - Mike Walsh, Peter Heaven
- Piano - Heather Lucas, Cathy Foster, Madison Clissold, Sarah MossFord MacGregor
- Violin - Cathy Foster
- Woodwind - Sarah Mossford MacGregor, Stephen Walther

Charges for lessons are at the discretion of each teacher, but the college recommends a fee for the current year at no more than $35.00 per half hour (individual) for each weekly lesson. Instrumental music lessons are charged by the school term (just like school fees) and are payable in advance at the start of each term directly to your instrumental teacher.

Lesson are held both during and after school. Students are assigned to a teacher by the college. (Although you are more than welcome to request a specific teacher). Places in the program are awarded on a first come basis with priority being given to senior students who are undertaking music as an elective subject.

We welcome and look forward to you and your child becoming involved in the many varied aspects of the programmes provided by the St Martins Lutheran College Music Department.

If you wish for your child to be considered for a place in the program please complete the attached form and return it to the school, upon which your child will assigned to an instrumental music teacher.

Sincerely

Stephen Walther | Instrumental Music Coordinator
